- BML munjal university , gurugram

## EDUCATION

2023 - 2027  
BML MUNJAL UNIVERSITY

- Bachelor of Technology

2009 - 2023  
DAV PUBLIC SCHOOL

- Schooling

## SKILLS

- Web Development: MERN Stack (MongoDB, Express.js, React.js, Node.js), HTML, CSS, JavaScript, RESTful APIs
- Programming Languages: Java, C++, Python
- Data Structures & Algorithms: Arrays, Linked Lists, Trees, Graphs, Dynamic Programming, Sorting & Searching
- Object-Oriented Programming (OOP): Java, C++
- Python: Exploratory Data Analysis (EDA), Basic Machine Learning (ML), Pandas, NumPy, Matplotlib
- Tools & Technologies: Git, Postman, VS Code
- Database Management: MongoDB

## PROFILE

Motivated MERN stack web developer with strong foundational knowledge in data structures, algorithms, and object-oriented programming. Skilled in Java, C++, Python, and experienced in exploratory data analysis and basic machine learning. Seeking a challenging role to apply my technical expertise and contribute to innovative projects.

## PROJECTS

### Netflix Clone

- Developed a full-stack Netflix clone without using JavaScript, showcasing advanced knowledge of alternative web technologies.
- Implemented features such as user authentication, media streaming, and dynamic content loading.

### VitaCore Healthcare Website

- Led the development of a comprehensive healthcare website, including features like a user dashboard, blog page, and secure authentication.
- Designed and implemented a scalable architecture using Node.js and MongoDB, enhancing the website's responsiveness and security.

### Voice-Enabled Geospatial Map Interface

- Created a voice-enabled user interface for geospatial map-based web applications, leveraging on-device GPUs/NPUs for voice command recognition.
- Focused on building a lightweight and scalable solution, integrating advanced front-end and back-end technologies.

### Spotify Clone

- Developed a full-stack Spotify clone, replicating key features such as music streaming, playlist management, and user authentication.

## EXPERIENCE

Signity Solutions Pvt Ltd.

Intern

June 2023 - July 2023
